

# 2019 LVEDC INVESTORS

Thank you for your commitment to regional economic growth.

It's been another excellent year for Lehigh Valley. Our economic output has reached a record \$41.2 billion, 4.4% higher than the year before. The investment of these companies and organizations enables us to tell Lehigh Valley's story and compete with much larger markets. We have been able to develop regional strategies, pool resources, share services, and leverage spending to score big wins in economic development, thanks to the commitment of our partners.
